

## Branding & Marketing Solutions

### High-Quality Online Presence for Your Business

Titanium Technology Solutions' Branding and Marketing products and services combine quality, **custom-crafted web content with lead generating SEO and social media engagement techniques.**

We continuously research the latest trends in web design and traffic procurement methods, and even analyze behavior statistics to better give your customers **what they want to see, where they want to see it.**

#### CUSTOMER DESIGN STATISTICS

- ◆ **69% of consumer** purchases were influenced by the customer first doing research on their mobile phone.
- ◆ Almost **half of all** customers felt a poorly designed mobile website directly reflected a company's professionalism.

#### BRANDING & MARKETING PRODUCTS/SERVICES

Titanium Technology Solutions **provides Branding and Marketing solutions that fit any business.** Once a Technology Solutions Architect gets to know your business, we'll present you with a customized proposal.
